

# Model TDMC Connection Head

- Heavy Duty
- DMC Construction
- Weatherproof IP65
- Choice of Process Entries
- Self certified ExnA

## General Description

The Model TDMC is a heavy duty IP65 weatherproof connection head. The DMC construction makes it resistant to most chemicals and corrosive atmospheres, and is therefore suited for use on Chemical and Petrochemical complexes. The TDMC is available with a wide range of sensor assemblies. This Model has become an Industry Standard and is widely specified by Multi-national Companies.

## Technical Specification

Model	Process Entry	Cable Entry	IP Rating	Duty	Material
TDMC	M24 1/2" BSP	M20 PG16	IP65	Heavy Duty maximum continuous temperature of 150°C	DMC moulded natural black finish
